Eligibility

International Students, visiting Faculty or Scholars who are temporarily residing outside their Home Country. The primary Insured must be over age 12 and remain engaged in educational or research activities outside their Home Country during the Period of Coverage.

Education or research activities shall mean the Insured: 1) is enrolled and participating in an educational, vocational, cultural exchange, or training programs; and 2) has a valid J-1, H-3, F, M, Q or R-1 Visa.

Please note: a) Eligible individuals can enroll into a Compass Student Plan no earlier than 6 months prior to the start of their educational activity or semester, and no later than 30 days after the start of their educational activity or semester.

Effective and Termination Dates

The Master Policy becomes effective at 12:01 a.m., July 1, 2017. The individual student’s coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2018. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Premium will not be refunded except for ineligibility or entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy. No more than 12 months of coverage may be purchased per policy year.

Choice of Plan

Each eligible student has a choice of one of the benefit Plans. Make your selection carefully. You cannot upgrade coverage after the initial purchase of the Plan for the policy year. Please be aware that if you choose to upgrade coverage in any subsequent Policy Year, a new Pre-Existing Condition exclusion and waiting period will apply. This brochure provides information on the Deductible option for 202922-91.

Under the Care Plan, eligible students have a choice of one of three Deductible options:

203134-91 Plan: $100 Deductible for each Injury or Sickness.

203134-92 Plan: $200 Deductible Per Policy Year for Preferred Providers and $400 Deductible Per Policy Year for Out-of-Network Providers.

203134-93 Plan: $500 Deductible Per Policy Year for Preferred Providers and $1,000 Deductible Per Policy Year for Out-of-Network Providers.

Please review the benefits and make your selection carefully. You cannot upgrade coverage after the initial purchase of the Plan for the Policy Year.

Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.
Pre-Admission Notification

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS**: The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.

2. **NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS**: The patient, patient’s representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

UnitedHealthcare is open for Pre-Admission Notification calls from 8:00 a.m. to 6:00 p.m. C.S.T., Monday through Friday. Calls may be left on the Customer Service Department’s voice mail after hours by calling 1-877-295-0720.

**IMPORTANT**: Failure to follow the notification procedures will not affect benefits otherwise payable under the policy; however, pre-notification is not a guarantee that benefits will be paid.

Preferred Provider Information

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are:

UnitedHealthcare Options PPO.

The availability of specific providers is subject to change without notice. Insureds should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-866-590-4427 and/or by asking the provider when making an appointment for services.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Out-of-Network” providers have not agreed to any prearranged fee schedules. Insured’s may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Inpatient Expenses

PREFERRED PROVIDERS - Eligible Inpatient expenses at a Preferred Provider will be paid at the Coinsurance percentages specified in the Schedule of Benefits, up to any limits specified in the Schedule of Benefits. Preferred Hospitals include UnitedHealthcare Options PPO United Behavioral Health (UBH) facilities. Call 1-866-590-4427 for information about Preferred Hospitals.

OUT-OF-NETWORK PROVIDERS - If Inpatient care is not provided at a Preferred Provider, eligible Inpatient expenses will be paid according to the benefit limits in the Schedule of Benefits.

Outpatient Hospital Expenses

Preferred Providers may discount bills for outpatient Hospital expenses. Benefits are paid according to the Schedule of Benefits. Insureds are responsible for any amounts that exceed the benefits shown in the Schedule, up to the Preferred Allowance.

Professional & Other Expenses

Benefits for Covered Medical Expenses provided by UnitedHealthcare Options PPO will be paid at the Coinsurance percentages specified in the Schedule of Benefits or up to any limits specified in the Schedule of Benefits. All other providers will be paid according to the benefit limits in the Schedule of Benefits.

The Preferred Provider for this plan is UnitedHealthcare Options PPO.

If care is received from a Preferred Provider any Covered Medical Expenses will be paid at the Preferred Provider level of benefits. If the Covered Medical Expense is incurred due to a Medical Emergency, benefits will be paid at the Preferred Provider level of benefits. In all other situations, reduced or lower benefits will be provided when an Out-of-Network provider is used.

The Policy provides benefits for the Covered Medical Expenses incurred by an Insured Person for loss due to a covered Injury or Sickness.

Out-of-Pocket Maximum: After the Out-of-Pocket Maximum has been satisfied, Covered Medical Expenses will be paid at 100% up to the policy Maximum Benefit subject to any benefit maximums that may apply. The Policy Deductible, Copays and per service Deductibles, and services that are not Covered Medical Expenses do not count toward meeting the Out-of-Pocket Maximum. Even when the Out-of-Pocket Maximum has been satisfied, the Insured Person will still be responsible for Copays and per service Deductibles.

Student Health Center Benefits: The Deductible and Copays will be waived and benefits will be paid at the Preferred Provider level of benefits when treatment is rendered at the Student Health Center.

Benefits are calculated on a Policy Year basis unless otherwise specifically stated. When benefit limits apply, benefits will be paid up to the maximum benefit for each service as scheduled below. All benefit maximums are combined Preferred Provider and Out-of-Network unless otherwise specifically stated. Please refer to the Medical Expense Benefits – Injury and Sickness section for a description of the Covered Medical Expenses for which benefits are available. Covered Medical Expenses include:

**Excess Provision**

Even if you have other insurance, the Plan may cover unpaid balances, Deductibles and pay those eligible medical expenses not covered by other insurance. Benefits will be paid on the unpaid balances after your other insurance has paid.

No benefits are payable for any expense incurred for Injury or Sickness which has been paid or is payable by other valid and collectible insurance or under an automobile insurance policy.

However, this Excess Provision will not be applied to the first $100 of medical expenses incurred.

Covered Medical Expenses excludes amounts not covered by the primary carrier due to penalties imposed as a result of the Insured’s failure to comply with policy provisions or requirements.

**Important:** The Excess Provision has no practical application if you do not have other medical insurance or if your other insurance does not cover the loss.

**Accidental Death and Dismemberment Benefits**

**Loss of Life, Limb or Sight**

If such Injury shall independently of all other causes and within 180 days from the date of Injury solely result in any one of the following specific losses, the Insured Person or beneficiary may request the Company to pay the applicable amount below in addition to payment under the "Medical Expense Benefits" (and under Major Medical, if coverage is afforded under Major Medical) provision.

**COPAY/COPAYMENT** means a specified dollar amount that the Insured is required to pay for certain Covered Medical Expenses.

**COVERED MEDICAL EXPENSES** means reasonable charges which are: 1) not in excess of Usual and Customary Charges; 2) not in excess of the Preferred Allowance when the policy includes Preferred Provider benefits and the charges are received from a Preferred Provider; 3) not in excess of the maximum benefit amount payable per service as specified in the Schedule of Benefits; 4) made for services and supplies not excluded under the policy; 5) made for services and supplies which are a Medical Necessity; 6) made for services included in the Schedule of Benefits; and 7) in excess of the amount stated as a Deductible, if any.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

**CUSTODIAL CARE** means services that are any of the following:

1. Non-health related services, such as assistance in activities.
2. Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.
3. Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

**DEDUCTIBLE** means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply as specified in the Schedule of Benefits.

**ELECTIVE SURGERY OR ELECTIVE TREATMENT** means those health care services or supplies that do not meet the health care need for a Sickness or Injury. Elective surgery or elective treatment includes any service, treatment or supplies that: 1) are deemed by the Company to be research or experimental; or 2) are not recognized and generally accepted medical practices in the United States.

**HOSPITAL** means a licensed or properly accredited general hospital which: 1) is open at all times; 2) is operated primarily and continuously for the treatment of and surgery for sick and injured persons as inpatients; 3) is under the supervision of a staff of one or more legally qualified Physicians available at all times; 4) continuously provides on the premises 24 hour nursing service by Registered Nurses; 5) provides organized facilities for diagnosis and major surgery on the premises; and 6) is not primarily a clinic, nursing, rest or convalescent home.

3. a source of loss.
4. treated by a Physician within 30 days after the date of accident.
5. sustained while the Insured Person is covered under this policy.

All injuries sustained in one accident, including all related conditions and recurrent symptoms of these injuries will be considered one injury. Injury does not include loss which results wholly or in part, directly or indirectly, from disease or other bodily infirmity. Covered Medical Expenses incurred as a result of an injury that occurred prior to this policy’s Effective Date will be considered a Sickness under this policy.

**INPATIENT** means an uninterrupted confinement that follows formal admission to a Hospital by reason of an Injury or Sickness for which benefits are payable under this policy.
INSURED PERSON means the Named Insured. The term "Insured" also means Insured Person.

INTENSIVE CARE means: 1) a specifically designated facility of the Hospital that provides the highest level of medical care; and 2) which is restricted to those patients who are critically ill or injured. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. Intensive care does not mean any of these step-down units:

1. Progressive care.

If not excluded or defined elsewhere in the policy, all alcoholism and substance use disorders are considered one Sickness.

URGENT CARE CENTER means a facility that provides treatment required to prevent serious deterioration of the Insured Person’s health as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

USUAL AND CUSTOMARY CHARGES means the maximum amount the Policy is obligated to pay for services. Except as otherwise required under state or federal regulations, usual and customary charges will be the lowest of:

1. The billed charge for the services.
2. An amount determined using current publicly-available data which is usual and customary when compared with the charges made for a) similar services and supplies and b) to persons having similar medical conditions in the geographic area where service is rendered.
3. An amount determined using current publicly-available data reflecting the costs for facilities providing the same or similar services, adjusted for geographical difference where applicable, plus a margin factor.

Eligibility

International Students, visiting Faculty or Scholars who are temporarily residing outside their Home Country. The primary Insured must be over age 12 and remain engaged in educational or research activities outside their Home Country during the Period of Coverage.

Education or research activities shall mean the Insured: 1) is enrolled and participating in an educational, vocational, cultural exchange, or training programs; and 2) has a valid J-1, H-3, F, M, Q or R-1 Visa.

Please note: a) Eligible individuals can enroll into a Compass Student Plan no earlier than 6 months prior to the start of their educational activity or semester, and no later than 30 days after the start of their educational activity or semester.

Effective and Termination Dates

The Master Policy becomes effective at 12:01 a.m., July 1, 2017. The individual student’s coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2018. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Premium will not be refunded except for ineligibility or entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy. No more than 12 months of coverage may be purchased per policy year.

Choice of Plan

Each eligible student has a choice of one of the benefit Plans. Make your selection carefully. You cannot upgrade coverage after the initial purchase of the Plan for the policy year. Please be aware that if you choose to upgrade coverage in any subsequent Policy Year, a new Pre-Existing Condition exclusion and waiting period will apply. This brochure provides information on the Deductible option for 202922-92.

Under the Care Plan, eligible students have a choice of one of three Deductible options:

203134-91 Plan: $100 Deductible for each Injury or Sickness.

203134-92 Plan: $200 Deductible Per Policy Year for Preferred Providers and $400 Deductible Per Policy Year for Out-of-Network Providers.

203134-93 Plan: $500 Deductible Per Policy Year for Preferred Providers and $1,000 Deductible Per Policy Year for Out-of-Network Providers.

Please review the benefits and make your selection carefully. You cannot upgrade coverage after the initial purchase of the Plan for the Policy Year.

Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.
Pre-Admission Notification

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS**: The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.

2. **NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS**: The patient, patient’s representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

**IMPORTANT**: Failure to follow the notification procedures will not affect benefits otherwise payable under the policy; however, pre-notification is not a guarantee that benefits will be paid.

Preferred Provider Information

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are:

UnitedHealthcare Options PPO.

The availability of specific providers is subject to change without notice. Insureds should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-866-590-4427 and/or by asking the provider when making an appointment for services.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Out-of-Network” providers have not agreed to any prearranged fee schedules. Insured’s may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Inpatient Expenses

PREFERRED PROVIDERS - Eligible Inpatient expenses at a Preferred Provider will be paid at the Coinsurance percentages specified in the Schedule of Benefits, up to any limits specified in the Schedule of Benefits. Preferred Hospitals include UnitedHealthcare Options PPO United Behavioral Health (UBH) facilities. Call 1-866-590-4427 for information about Preferred Hospitals.

OUT-OF-NETWORK PROVIDERS - If Inpatient care is not provided at a Preferred Provider, eligible Inpatient expenses will be paid according to the benefit limits in the Schedule of Benefits.

The Preferred Provider for this plan is UnitedHealthcare Options PPO.

If care is received from a Preferred Provider any Covered Medical Expenses will be paid at the Preferred Provider level of benefits. In all other situations, reduced or lower benefits will be provided when an Out-of-Network provider is used.

The Policy provides benefits for the Covered Medical Expenses incurred by an Insured Person for loss due to a covered Injury or Sickness.

Out-of-Pocket Maximum: After the Out-of-Pocket Maximum has been satisfied, Covered Medical Expenses will be paid at 100% up to the policy Maximum Benefit subject to any benefit maximums that may apply. The Policy Deductible, Copays and per service Deductibles, and services that are not Covered Medical Expenses do not count toward meeting the Out-of-Pocket Maximum. Even when the Out-of-Pocket Maximum has been satisfied, the Insured Person will still be responsible for Copays and per service Deductibles.

Student Health Center Benefits: The Deductible and Copays will be waived and benefits will be paid at the Preferred Provider level of benefits when treatment is rendered at the Student Health Center.

**Excess Provision**

Even if you have other insurance, the Plan may cover unpaid balances, Deductibles and pay those eligible medical expenses not covered by other insurance. Benefits will be paid on the unpaid balances after your other insurance has paid.

No benefits are payable for any expense incurred for Injury or Sickness which has been paid or is payable by other valid and collectible insurance or under an automobile insurance policy.

However, this Excess Provision will not be applied to the first $100 of medical expenses incurred.

Covered Medical Expenses excludes amounts not covered by the primary carrier due to penalties imposed as a result of the Insured’s failure to comply with policy provisions or requirements.

**Important:** The Excess Provision has no practical application if you do not have other medical insurance or if your other insurance does not cover the loss.

**Accidental Death and Dismemberment Benefits**

**Loss of Life, Limb or Sight**

If such Injury shall independently of all other causes and within 180 days from the date of Injury solely result in any one of the following specific losses, the Insured Person or beneficiary may request the Company to pay the applicable amount below in addition to payment under the "Medical Expense Benefits" (and under Major Medical, if coverage is afforded under Major Medical) provision.

**For Loss Of:**

- Life $10,000
- Both Hands, Both Feet, or Sight of Both Eyes $10,000
- One Hand and One Foot $10,000
- Either One Hand or One Foot and Sight of One Eye $10,000
- One Hand or One Foot or Sight of One Eye $ 5,000

Loss shall mean with regard to hands and feet, dismemberment by severance at or above the wrist or ankle joint; with regard to eyes, entire and irrecoverable loss of sight. Only one specific loss (the greater) resulting from any one Injury will be paid.

**Definitions**
COINSURANCE means the percentage of Covered Medical Expenses that the Company pays.

COPAY/COPAYMENT means a specified dollar amount that the Insured is required to pay for certain Covered Medical Expenses.

COVERED MEDICAL EXPENSES means reasonable charges which are: 1) not in excess of Usual and Customary Charges; 2) not in excess of the Preferred Allowance when the policy includes Preferred Provider benefits and the charges are received from a Preferred Provider; 3) not in excess of the maximum benefit amount payable per service as specified in the Schedule of Benefits; 4) made for services and supplies not excluded under the policy; 5) made for services and supplies which are a Medical Necessity; 6) made for services included in the Schedule of Benefits; and 7) in excess of the amount stated as a Deductible, if any.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

CUSTODIAL CARE means services that are any of the following:

1. Non-health related services, such as assistance in activities.
2. Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.
3. Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply as specified in the Schedule of Benefits.

The Master Policy becomes effective at 12:01 a.m., July 1, 2017. The individual student’s coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2018. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Premium will not be refunded except for ineligibility or entry into the armed forces.

Each eligible student has a choice of one of the benefit Plans. Make your selection carefully. You cannot upgrade coverage after the initial purchase of the Plan for the policy year. Please be aware that if you choose to upgrade coverage in any subsequent Policy Year, a new Pre-Existing Condition exclusion and waiting period will apply. This brochure provides information on the Deductible option for 202922-93.

Under the Care Plan, eligible students have a choice of one of three Deductible options:

Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

**Excess Provision**

Even if you have other insurance, the Plan may cover unpaid balances, Deductibles and pay those eligible medical expenses not covered by other insurance. Benefits will be paid on the unpaid balances after your other insurance has paid.

No benefits are payable for any expense incurred for Injury or Sickness which has been paid or is payable by other valid and collectible insurance or under an automobile insurance policy.

However, this Excess Provision will not be applied to the first $100 of medical expenses incurred.

Covered Medical Expenses excludes amounts not covered by the primary carrier due to penalties imposed as a result of the Insured's failure to comply with policy provisions or requirements.

**Important:** The Excess Provision has no practical application if you do not have other medical insurance or if your other insurance does not cover the loss.

**Accidental Death and Dismemberment Benefits**

**Loss of Life, Limb or Sight**

If such Injury shall independently of all other causes and within 180 days from the date of Injury solely result in any one of the following specific losses, the Insured Person or beneficiary may request the Company to pay the applicable amount below in addition to payment under the "Medical Expense Benefits" (and under Major Medical, if coverage is afforded under Major Medical) provision.

For Loss Of:

- Life  $10,000
- Both Hands, Both Feet, or Sight of Both Eyes  $10,000
- One Hand and One Foot  $10,000
- Either One Hand or One Foot and Sight of One Eye  $10,000
- One Hand or One Foot or Sight of One Eye  $  5,000

Loss shall mean with regard to hands and feet, dismemberment by severance at or above the wrist or ankle joint; with regard to eyes, entire and irrecoverable loss of sight. Only one specific loss (the greater) resulting from any one Injury will be paid.
Definitions

COINSURANCE means the percentage of Covered Medical Expenses that the Company pays.

COPAY/COPAYMENT means a specified dollar amount that the Insured is required to pay for certain Covered Medical Expenses.

COVERED MEDICAL EXPENSES means reasonable charges which are: 1) not in excess of Usual and Customary Charges; 2) not in excess of the Preferred Allowance when the policy includes Preferred Provider benefits and the charges are received from a Preferred Provider; 3) not in excess of the maximum benefit amount payable per service as specified in the Schedule of Benefits; 4) made for services and supplies not excluded under the policy; 5) made for services and supplies which are a Medical Necessity; 6) made for services included in the Schedule of Benefits; and 7) in excess of the amount stated as a Deductible, if any.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

CUSTODIAL CARE means services that are any of the following:

1. Non-health related services, such as assistance in activities.
2. Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.
3. Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply as specified in the Schedule of Benefits.

ELECTIVE SURGERY OR ELECTIVE TREATMENT means those health care services or supplies that do not meet the health care need for a Sickness or Injury. Elective surgery or elective treatment includes any service, treatment or supplies that: 1) are deemed by the Company to be research or experimental; or 2) are not recognized and generally accepted medical practices in the United States.

HOSPITAL means a licensed or properly accredited general hospital which: 1) is open at all times; 2) is operated primarily and continuously for the treatment of and surgery for sick and injured persons as inpatients; 3) is under the supervision of a staff of one or more legally qualified Physicians available at all times; 4) continuously provides on the premises 24 hour nursing service by Registered Nurses; 5) provides organized facilities for diagnosis and major surgery on the premises; and 6) is not primarily a clinic, nursing, rest or convalescent home.

3. a source of loss.
4. treated by a Physician within 30 days after the date of accident.
5. sustained while the Insured Person is covered under this policy.

All injuries sustained in one accident, including all related conditions and recurrent symptoms of these injuries will be considered one injury. Injury does not include loss which results wholly or in part, directly or indirectly, from disease or other bodily infirmity. Covered Medical Expenses incurred as a result of an injury that occurred prior to this policy’s Effective Date will be considered a Sickness under this policy.

INPATIENT means an uninterrupted confinement that follows formal admission to a Hospital by reason of an Injury or Sickness for which benefits are payable under this policy.
INSURED PERSON means the Named Insured. The term "Insured" also means Insured Person.

INTENSIVE CARE means: 1) a specifically designated facility of the Hospital that provides the highest level of medical care; and 2) which is restricted to those patients who are critically ill or injured. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. 4. Serious dysfunction of any body organ or part.
5. In the case of a pregnant woman, serious jeopardy to the health of the fetus.

Expenses incurred for "Medical Emergency" will be paid only for Sickness or Injury which fulfills the above conditions. These expenses will not be paid for minor Injuries or minor Sicknesses.

3. In accordance with the standards of good medical practice.
4. Not primarily for the convenience of the Insured, or the Insured's Physician.
5. The most appropriate supply or level of service which can safely be provided to the Insured.

The Medical Necessity of being confined as an Inpatient means that both:

1. The Insured requires acute care as a bed patient.
2. The Insured cannot receive safe and adequate care as an outpatient.

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Inpatient confinement.

MENTAL ILLNESS means a Sickness that is a mental, emotional or behavioral disorder listed in the mental health or psychiatric diagnostic categories in the current Diagnostic and Statistical Manual of the American Psychiatric Association. SUBSTANCE USE DISORDER means a Sickness that is listed as an alcoholism and substance use disorder in the current Diagnostic and Statistical Manual of the American Psychiatric Association. The fact that a disorder is listed in the Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment of the disorder is a Covered Medical Expense. If not excluded or defined elsewhere in the policy, all alcoholism and substance use disorders are considered one Sickness.

URGENT CARE CENTER means a facility that provides treatment required to prevent serious deterioration of the Insured Person's health as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

USUAL AND CUSTOMARY CHARGES means the maximum amount the Policy is obligated to pay for services. Except as otherwise required under state or federal regulations, usual and customary charges will be the lowest of:

1. The billed charge for the services.
2. An amount determined using current publicly-available data which is usual and customary when compared with the charges made for a) similar services and supplies and b) to persons having similar medical conditions in the geographic area where service is rendered.
3. An amount determined using current publicly-available data reflecting the costs for facilities providing the same or similar services, adjusted for geographical difference where applicable, plus a margin factor.
